

Spring Redshirt league

The Spring Redshirt league is for HS players who are not currently playing on their high school baseball team. 2020 will be the 12th year for the program. Players will participate in a 10-week program working on different areas of baseball fundamentals in addition to playing games. Instruction will be from coaches with college and professional baseball experience. The games and practices are on the weekends as well as potentially playing additional weeknight games and during spring break. Therron Brockish is the director and can be reached at 602-316-5274 or info@azprocamps.com for more information. Players should attend the initial meeting on Feb. 16th at 1:00 at Red Mountain baseball complex (8008 E. Brown Rd Mesa, AZ) if interested in playing. Players should register online at www.azprobaseball.com.
